

Media Release

Marco Pizzorusso appointed CFO of Adnovum

Zurich, 7 June 2022: As of August 1, Marco Pizzorusso will take over the financial management of the Swiss software company Adnovum as Chief Financial Officer (CFO) and member of the Leadership Team. He succeeds Roger Bösch, who has decided to take on a new challenge after more than seven years as CFO of Adnovum.

Marco Pizzorusso, today CFO at Vertec Group and previously Group CFO at Zühlke, becomes CFO and member of the Leadership Team of the Swiss software company Adnovum. He succeeds Roger Bösch, who will leave the company by the end of June. As CFO and Head of Group Services, Marco Pizzorusso will be responsible for the financial management of the company, and also for Group IT Services and Solutions, Legal, Risk & Compliance, Office Management, Partner Management, and the Sales & Project Office.

Marco Pizzorusso on his new role: «Software development is an exciting market environment with a wide range of challenges that is in a state of flux. I am inspired by the diversity of the topics and also by the prospect of being able to help shape the development of a company in a decisive phase of growth.»

As a Swiss Certified Expert in Accounting and Controlling, Marco Pizzorusso holds an MAS IFZ in Corporate Finance and an MAS in Swiss and International Taxation. He brings far-reaching experience in the IT industry from his current position with the Vertec Group and his many years of work for Zühlke.

Adnovum CEO Thomas Zangerl: «We are very pleased to have Marco Pizzorusso, a highly experienced financial expert and Group CFO, join Adnovum. He knows the challenges in IT and brings extensive experience in all areas essential for this position, from classic controlling to the development as well as the implementation of strategic initiatives. His vast know-how will also benefit us in potential inorganic growth steps.»

Adnovum

The Swiss software company Adnovum offers its clients comprehensive support in the digitalization of business processes from consulting and conception to implementation and operation. Its core competencies also include identity and access management as well as security consulting. Our client focus is on companies that want to differentiate themselves through innovative digitalization solutions. Amongst them are banks, insurance companies, the public sector as well as transportation and logistics.

Adnovum was founded in 1988. At our headquarters in Zurich and our offices in Bern, Lausanne, Budapest, Lisbon, Ho Chi Minh City and Singapore, we employ over 600 staff today.
